MEMORANDUM FOR: Intelligence Requirements Officer

SUBJECT: Materials to be reproduced at EM for
Benefit of the Navy

1. Reference is made to your memo, TCS 1004-57, subject as above, dated 4 March 1957.
2. Per your request, future photography provided the Navy will be furnished in the form of duplicate positives rather than duplicate negatives. No particular problem is anticipated regarding this change.
3. Arrangements have been made to produce duplicate positives of "tracker" film for the Navy on the penetration missions accomplished to date. You will be advised when this material is completed.
